Subject: Reclamation Surety Required, San Juan County (Operator), Shumway Hovenweep Mine, S/037/0128, San Juan County, Utah

Dear Ms. Jorgensen:

The referenced Notice of Intention to Commence Small Mining Operations (NOI), originally received by the Division of Oil, Gas and Mining on August 5, 2016, and supplemented with information received August 22, 2016, is complete **with the exception of the reclamation bonding requirement.** The required reclamation surety is **\$46,000.00**. This was determined based on information in the following table.

Shumway Hovenweep Quarry, Permit S/037/0128 Reclamation Bond Cost Estimate			
Disturbed Area	Qty	Cost/ac	Total
First acre:	1	\$7,600.00	\$7,600.00
Additional acres:	8	\$4,800.00	\$38,400.00
TOTAL:	9		\$46,000.00

Please submit the reclamation surety and reclamation contract by September 23, 2016. No mining related disturbance may be created until the surety is received and approved and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including, an irrevocable letter of credit, a certificate of deposit, cash or a surety bond. A cash surety **must** be accompanied with a W9 form for domestic companies or a W8 form for foreign companies or the money will not be accepted as a surety and will be returned. The W9 form is available on the Internal Revenue Service web site at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>. The W8 form is also available from the IRS. Please contact Penny Berry at 801-538-5291 or by e mail at pennyberry@utah.gov for assistance in completing this requirement.
